

Sacramento Area UCLA Alumni Club

ANNUAL MEMBERSHIP APPLICATION

Your membership is the lifeblood of the Club. We depend completely on the annual dues we receive from YOU in order to keep the Club running. We do not receive any funding from the Alumni Association or the University.

Your annual dues help us support our members by funding our Web site and subsidizing many of the events throughout the year such as Campus Connection and March Madness parties.

Finally, we strive every year to expand our UCLA network here in the Sacramento area and continue to provide fun and exciting events for the whole family!

We need you! Join today by sending in the form below or joining online at <http://sacbruins.com>.
